**GEO-CACHING** Is a recreational real outdoor and world-wide treasure hunting game. All you need is a GPS or a smart phone that will let you download coordinates from a website that will lead you to a specific cache. Assiniboia has **9 caches**. On Canada Day, go to: [geocaching.com](http://geocaching.com)

To Find a cache 1. View the map 2. Upload coordinates & go!

A cache may be located anywhere near the coordinates– but not underground. Look in the trees, behind bushes or rocks, etc. Once you find it, sign the log book. You may take the item in the cache but if you do, replace it with something similar so the next person can enjoy it too! (Like stickers, stamps, tattoos, McDonald toys, etc.

**FIREWORKS DISPLAY @  
DUSK...FAIRGROUNDS**
