## **Additional Important Information:**

1. Uniform pick up and Registration: March 7, 2018 at Assiniboia Composite High School 4:30-8:30pm.
2. Please note that there is an **additional fee of \$20** for registrations **after March 30**.
3. Also note that April 15 is the deadline to register. After that, there is no guarantee that we can accept additional players.
4. Uniform deposits of \$100 per player (**separate post-dated cheques per player**) are required for **all but** the Tykes, Pre-Rally Cap and Rally Cap.
5. For safety and hygiene reasons we advise all players to purchase their own batting helmet. It is wise to purchase the face mask at the same time. It is mandatory in most softball and some baseball leagues.
6. When teams are made, coaches will contact you regarding practice times and days.
7. The ball typically flies off an aluminum bat at a much higher rate of speed than a wooden bat. For player safety, baseball is generally moving away from the use of aluminum bats. It is already mandatory for certain leagues and some provincial playoffs. As Sask. Baseball moves to wooden bats only, AMBA will not be providing wooden bats for players. Please be prepared for that.  
AMBA does not require this at this time.

**Each player from Mosquito, Mites, Squirts, Pee Wee, Bantam and Midget are required to buy their own WHITE ball pants. Western Cycle in Regina is giving 15% off when you purchase there.**

# Important!

**The success of Assiniboia Minor Ball depends on family participation. Our organization is built on the commitment and dedication of volunteers. Please consider one of the following areas to help out with and indicate your willingness to help when you register online.**

**Coach**

**Assistant Coach**

**Manage a team**

**Umpire**

**Join AMBA Executive**

**We tend to have our largest numbers of players at the rally cap and pre-rally cap ages. These young players need a small coach to player ratio (ideally 1:9 or 10) so that they enjoy the experience.**

**Please give serious consideration to helping coach even if you have no prior experience with ball. Having fun and learning a few basic skills is what the game is about at this age! AMBA will direct you to coaching clinics and have Learn to Play manuals with drills and games for the new or experienced coach.**
